

Applications for the Chevening Scholarships opened on 5 August

Chevening Scholarships are awarded to individuals with demonstrable leadership potential who also have strong academic backgrounds. The scholarship offers full financial support for future leaders to study for any eligible master's degree at any UK university whilst also gaining access to a wide range of exclusive academic, professional, and cultural experiences.

Over the last 35 years, 50,000 outstanding professionals have had the opportunity to develop in the UK through Chevening. There are more than 1,500 scholarships on offer globally for the 2020/2021 academic year, demonstrating the UK's ongoing commitment towards developing the leaders of tomorrow.

Applications for Chevening Scholarships to study in the UK will be open between 5 August and 5 November 2019, with applications to be submitted via the [Chevening application page](#).

Chevening Scholarships Officer in Santiago, Marianne Becker, said:

The UK continues to play a leading role globally. Home to some of the world's best universities, brightest students, and most revered academics, the UK's higher education sector promotes the exchange of information and ideas, as well as the building of knowledge and networks. Chevening Scholars find themselves immersed in that world, and emerge having grown academically, professionally, and personally as a result of their time in the UK.

We are looking for ambitious, professional, forward-thinking leaders from any walk of life. There is no such thing as a 'typical' Chevening Scholar, but one thing that all of our previous scholars have in common is that they were bold enough to step forward and apply.

If you are chosen for Chevening, you will receive a first-rate UK education which can open doors in your career. You will also become part of the global Chevening Alumni network full of dynamic influencers who have shared the same experience as you will, and can offer mentorship, advice, and contacts.

There is a lot to potentially gain from submitting a thoughtful application, so if you or someone you know has what it takes to be a Chevening Scholar, I would encourage you to apply before the 5 November deadline.

About Chevening

Chevening Scholarships are the UK Government's global scholarship programme, funded by the Foreign and Commonwealth Office (FCO) and partner organisations. The scholarships support study at UK universities – mostly one year taught master's degrees – for individuals with demonstrable potential to become future leaders, decision-makers, and opinion formers.

Chevening began in 1983 and has developed into a prestigious international awards scheme. Chevening Scholars come from over 160 countries and territories worldwide, and more than 1,600 scholarships were awarded in 2019/2020. There are over 50,000 Chevening Alumni around the world who comprise an influential and highly regarded global network.

The name 'Chevening' comes from Chevening House in Sevenoaks, Kent – currently the joint official residence of the UK's Foreign Secretary.
