

Appointments of self-recommended youth members to Professional Services Advancement Support Scheme Vetting Committee announced

â€‹The Government announced today (January 10) the appointments of Mr Tommy Leung Siu-lun and Mr Adrian To Cheuk-yin to the Professional Services Advancement Support Scheme (PASS) Vetting Committee through the Member Self-recommendation Scheme for Youth for a term from January 13, 2025, to December 31, 2026.

â€‹PASS provides financial support for non-profit-distributing organisations to carry out industry-led projects to increase exchanges and co-operation between Hong Kong's professional services and external counterparts, promote relevant publicity activities and enhance the standards and external competitiveness of Hong Kong's professional services. In order to step up the promotion of Hong Kong's competitive edges and professional services to the Mainland and overseas markets after the pandemic situation has stabilised, \$50 million has also been set aside under PASS to subsidise Hong Kong major professional bodies to participate in relevant activities organised by the Government and the Hong Kong Trade Development Council.

â€‹The Vetting Committee considers individual project proposals under PASS, recommends on the level of funding support, monitors the implementation of the approved projects and advises the Government on the assessment criteria adopted for PASS.
