

# Appointments to Construction Industry Council announced

The Government today (January 28) announced the appointment of three new non-official members and the reappointment of two incumbent non-official members to the Construction Industry Council (CIC) for a two-year term from February 1, 2025, to January 31, 2027. The appointments were published in the Government Gazette today.

The new non-official members are Professor Albert Chan Ping-chuen, Mr Dominic Law Tik-ko and Professor Alfred Sit Wing-hang. The reappointed non-official members are Mr Mow Tai-hing and Mr Rex Wong Siu-han.

"We welcome the new members and look forward to working closely with the CIC for the continuous development of the construction industry. We also thank the two outgoing members, namely Mr Eddie Lam Kin-wing and Mrs Lo Lee Oi-lin, for their contributions to the CIC and the construction industry," a spokesman for the Development Bureau said.

The CIC is a statutory body established in February 2007 with the mission to forge consensus on long-term strategic issues concerning the construction industry, convey the needs and aspirations of the industry to the Government, and provide a channel for the Government to solicit advice on all construction-related matters. Since its establishment, the CIC has embarked on a range of initiatives to elevate the quality of construction and uphold the professionalism of the construction industry in Hong Kong. It also collaborates with the industry to launch various training and caring schemes for industry practitioners, including its work in enhancing construction site safety and strengthening training to address the manpower needs.
