A Government spokesman said, "The FRC is an important institution tasked to enhance the regulation of the accounting profession and corporate governance of companies listed in Hong Kong. One of the statutory functions of the FRC is to initiate enquiries concerning non-compliance with legal, accounting or regulatory requirements in a listed entity's financial reports.

"As a statutory body established under the FRC Ordinance, the work of the FRRP is indispensable to the discharge of the FRC's statutory functions of enquiries. The FRRP will benefit from the rich experience and professional

knowledge of the members."

The spokesman added, "We would also like to take this opportunity to express our heartfelt appreciation to the outgoing Convenor, Mrs Catherine Morley, and the other 12 members for their valuable contributions to the work of the FRRP in the past years."

When an enquiry case arises, the FRC will appoint one convenor and four or more members from the FRRP to form a Financial Reporting Review Committee which will enquire into the relevant non-compliance of the case. The Committee will submit an enquiry report on the case to the FRC for consideration and, where appropriate, follow-up action.
