The CSTB launched the Mega ACE Fund in April 2023. The Mega ACE Fund aims to attract and support international and large-scale arts and cultural events to be held in Hong Kong, with a view to fostering Hong Kong's development as an East-meets-West centre for international cultural exchange. The Mega ACE Committee advises the Government on strategies to attract mega arts and cultural events to be held in Hong Kong, and on the operation of the Mega ACE Fund. It also assesses applications under the Mega ACE Fund for the

Government's approval.

Further to the CSTB's announcement on details of the enhancement of the Mega ACE Fund's operation and its application arrangement on November 30, 2024, the new application mechanism officially took effect on January 1, 2025.
