

Audience for Mainland Olympians delegation's sports demonstrations and variety show reminded to collect tickets in advance

The Leisure and Cultural Services Department (LCSD) spokesperson today (December 3) reminded members of the public who have purchased tickets for the sports demonstrations and the "Mainland Olympians Variety Show" to be held tomorrow (December 4) to collect tickets as early as possible.

There will be no ticket collection service at the venues on the event day. LCSD suggests that the event-goers collect tickets at URBTIX box offices or at the Cityline ticket dispensing machines today. Please visit www.urbtix.hk for details of the box offices as well as the ticket dispensing machines.

Audiences should follow the signage on queue arrangements on site and instructions given by the staff. The sports demonstrations and variety show will also be broadcast live on "LCSD Plusss" Facebook page and RTHK television 31 or 32, or TVB Jade from 9.45am and 5pm tomorrow respectively.
