## **Iran abolishes visa requirements for 33 countries, including Saudi Arabia**

LONDON: Authorities in Iran are removing visa requirements for passport holders from 33 countries, including Saudi Arabia.

The move was confirmed on Thursday following comments after a Cabinet meeting on Wednesday by Minister of Tourism Ezzatollah Zarghami, who said: "The government intends to open the country's doors to the world.

"The Islamic Republic has shown its readiness to open doors to people worldwide and provide more facilities for them so that they can easily visit our country and benefit from its advantages."
