Getting things done – Perth Road #dundeewestend

Many residents have contacted me recently about on-going flooding of Perth Road opposite the junction with Riverside Place.

I contacted both Scottish Water and the City Council's Roads Maintenance Partnership about this recurring issue and both promptly responded.

The council's Roads Maintenance Partnership has advised as follows :

"An investigation is to be carried out in the forthcoming weeks. However the gully machine has been attending when required following heavy rain.

"It will be checked again this week."
