The project will explore the opportunities and implications arising from the future transport system in the UK.

Mineral Production during May 2017 (Provisional)

The index of mineral production of mining and quarrying sector for the month of May (new Series 2011-12=100) 2017 at 100.5, was 0.9% lower as compared to the level in the month of May 2016

Benefits of GST for the Transport Sector

The transport sector stands to benefit from the recently rolled out GST in several ways. Pre- GST, the complex tax structure and paper work forced the transport industry to spend a lot of resources on tax compliance and deposit of interstate sales tax.
