

All-Island Vision for a New Age of Rail

The Department of Transport in Ireland and the Department for Infrastructure (DfI) in Northern Ireland today publish the Final Report of the All-Island Strategic Rail Review, developed in the context of the “New Decade, New Approach” agreement. This ground-breaking Report, approved for publication by the Irish Government and DfI Minister, sets out a strategic vision for the development of the rail system across the island of Ireland over the coming decades.
