

[Urology Reform Transforming Patient Care](#)

Over 70 men have now received pioneering robotic Aquablation surgery since May 2025, marking a major leap forward in how prostate conditions are treated across Northern Ireland.

[Life Expectancy in Northern Ireland 2022-24](#)

The Department of Health today published the statistical report 'Life Expectancy in Northern Ireland 2022-24'. The Department of Health are the official producers of life expectancy figures for Northern Ireland. This report presents the latest estimates of life expectancy, healthy life expectancy and disability-free life expectancy. The report explores the extent to which mortality within certain age groups and causes of death contribute to the observed variations in life expectancy over time, in addition to inequality gaps between sexes, deprivation levels, Health and Social Care Trusts and Local Government Districts.

[Oral Ministerial Statement by Gordon Lyons MLA – Launch of Public Consultation on the Executive Disability Strategy](#)

Mr. Speaker, I wish to make a statement to the Assembly regarding my plans to bring forward a new Executive Disability Strategy for Northern Ireland.

Long confirms PSNI recruitment funding and police officer pay uplift

Following the December monitoring round, the Justice Minister has confirmed funding for PSNI recruitment and the full recommended pay uplift for police officers will now be available.

Education Minister launches a new literacy framework for Northern Ireland

Education Minister, Paul Givan, has launched a new literacy framework for primary schools aimed at strengthening literacy practice across Northern Ireland.
