## **Publication of Children Adopted from Care in Northern Ireland 2024/25**

The Department of Health has today published the Children Adopted from Care in Northern Ireland 2024/25. This bulletin details statistical information relating to children adopted from care during the year ending 31 March 2025. The tables within the bulletin present a range of information about these

children and their adopters, including durations between different stages in the adoption process. The bulletin is based on the DoH statistical return AD1 2024/25, which was collected from each of the five Health and Social Care Trusts.
