

Auctions of traditional vehicle registration marks to be held on June 2 and 3

The Transport Department today (May 17) announced that two auctions of traditional vehicle registration marks will be held on June 2 (Saturday) and 3 (Sunday), in Meeting Room S221, L2, Hong Kong Convention and Exhibition Centre, Wan Chai.

"A total of 280 vehicle registration marks will be put up for public sale at each auction. The lists of marks have been posted at the department's website, www.td.gov.hk," a department spokesman said.

Applicants who have paid a deposit of \$1,000 to reserve a mark for auction should also participate in the bidding (including the first bid at the reserve price of \$1,000). Otherwise, the mark may be sold to another bidder at the reserve price.

People who wish to participate in the bidding at the auction should take note of the following important points:

(a) Successful bidders are required to produce the following documents for completion of registration and payment procedures immediately after the successful bidding:

- (i) the identity document of the successful bidder;
 - (ii) the identity document of the purchaser if it is different from the successful bidder;
 - (iii) a copy of the Certificate of Incorporation if the purchaser is a body corporate; and
 - (iv) a crossed cheque made payable to "The Government of the Hong Kong Special Administrative Region" or "The Government of the HKSAR". (For an auctioned mark paid for by cheque, the first three working days after the date of auction will be required for cheque clearance confirmation before processing of the application for mark assignment can be completed.)
- Successful bidders can also pay through the Easy Pay System (EPS). Payment by post-dated cheques, cash or other methods will not be accepted.

(b) Purchasers must make payment of the purchase price through EPS or by crossed cheque and complete the Memorandum of Sale of Registration Mark immediately after the bidding. Subsequent alteration of the particulars in the memorandum will not be permitted.

(c) A vehicle registration mark can only be assigned to a motor vehicle which is registered in the name of the purchaser. The Certificate of Incorporation must be produced immediately by the purchaser if a vehicle registration mark purchased is to be registered under the name of a body corporate.

(d) Special registration marks are non-transferable. Where the ownership of a motor vehicle with a special registration mark is transferred, the allocation of the special registration mark shall be cancelled.

(e) The purchaser shall, within 12 months after the date of auction, apply to the Commissioner for Transport for the registration mark to be assigned to a motor vehicle registered in the name of the purchaser. If the purchaser fails to assign the registration mark within 12 months, allocation of the mark will be cancelled and arranged for re-allocation in accordance with the statutory provision without prior notice to the purchaser.

For other auction details, please refer to the Guidance Notes – Auction of Vehicle Registration Marks, which can be downloaded from the department's website, www.td.gov.hk.

Stage 2 Public Engagement for Revitalisation of Tsui Ping River Launched

The Drainage Services Department today (May 17) launched the Stage 2 Public Engagement for the Revitalisation of Tsui Ping River project to collect the public's views on the project and the updated revitalisation plan. Members of the public are invited to participate in the activities.

The Revitalisation of Tsui Ping River project aims at revitalising the existing watercourse at King Yip Street into a green and vibrant Tsui Ping River through environmental, ecological and landscape enhancement as well as improving the river's connectivity with the neighbourhood, thus providing a riverine leisure space for the community.

The Stage 2 Public Engagement will last until July 16. Activities include roving exhibitions and community workshops. Details are available at the project website (www.tsuipingriver.hk). Members of the public may also

express their views through the following channels:
