

Form: Apply to use Coal Authority data

The Coal Authority owns the copyright and database rights in its data sets.

The Coal Authority permits others to use and re-use this intellectual property under licence.

The type of licence required depends on the end use for which the data is supplied.

If you have any questions, please email: datasolutions@coal.gov.uk

News story: AAIB Special Bulletin S3/2017 – HPH Glasflugel 304 eS, G-GSGS

This Special Bulletin contains preliminary information regarding a battery fire that occurred in a Front Electric Sustainer (FES) lithium polymer battery of an HPH Glasflugel 304 eS sailplane. Three safety recommendations are made relating to the incorporation of a warning system to alert the pilot to the presence of a fire or other hazardous conditions occurring within FES battery compartments.

Form: Coal Authority Evaluation Licence

This licence applies to data supplied for commercial evaluation and development purposes.

Guidance: Available Coal Authority data sets

‘Use’ means the use of Coal Authority data by persons or legal entities ‘for commercial or non-commercial purposes within the public task for which the documents were produced’. Where available, data sets which are licenced for use will contain personal data.

‘Re-use’ means the use of Coal Authority data by persons or legal entities ‘for commercial or non-commercial purposes other than the initial purpose within the public task for which the documents were produced’ (as defined by the European Directive on the Re-Use of Public Sector Information 2015).

Data sets which are licenced for reuse will have all personal data removed.
