

Independent report: Expert Committee on Pesticide Residues in Food (PRiF) annual report

Updated: Added the 2017 annual report.

These annual reports summarise the work of the Expert Committee on Pesticide Residues in Food (PRiF) from 2015 to 2017.

The Expert Committee on Pesticide Residues in Food (PRiF) provides independent advice to the government on the monitoring of pesticide residues in food.

You can read more information about the work of the [Expert Committee on Pesticide Residues in Food \(PRiF\)](#).

Official Statistics: Statistical Digest of Rural England

Updated: Minor adjustments to wording on page 1 of the Deprivation section to improve clarity of text.

A compendium of rural urban statistics on a wide range of social and economic Government policy areas.

The latest edition of the Digest is for September 2018 and includes updates to:

- Accessibility to services – overall measure of accessibility to services
- Housing
- Deprivation
- Innovation
