

Policy paper: NSIPs: biodiversity gain statement for energy

Sets out the biodiversity net gain (BNG) requirements for energy nationally significant infrastructure projects (NSIPs).

Policy paper: NSIPs: biodiversity gain statement for airports

Sets out the biodiversity net gain (BNG) requirements for airport nationally significant infrastructure projects (NSIPs).

Policy paper: NSIPs: biodiversity gain statement for development where no national policy statement has effect

Sets out the biodiversity net gain (BNG) requirements for nationally significant infrastructure projects (NSIPs) where no national policy statement (NPS) has effect.

What to include in biodiversity net gain baselines for NSIPs

Find out which habitats to include when calculating the pre-development biodiversity value for nationally significant infrastructure projects (NSIPs).

Register a biodiversity gain site

Find out what to do and how much it costs to register a biodiversity gain site.
