Defence Secretary Gavin Williamson has today confirmed that Her Majesty the Queen has approved the appointment of the new Chief of the General Staff.

Lieutenant General Mark Carleton-Smith CBE is to be promoted General and will succeed General Sir Nicholas Patrick Carter KCB CBE DSO ADC Gen in June 2018. General Carter is taking up the post of Chief of the Defence Staff, succeeding Air Chief Marshall Sir Stuart Peach who is leaving to become Chairman of the Military Committee at NATO.

Defence Secretary Gavin Williamson said:

I'm delighted to offer my congratulations to Lieutenant General Carleton-Smith on his appointment of Chief of the General Staff.

Lt Gen Carleton-Smith has played a leading role in many of our recent operations at home and abroad, including our campaign to defeat Daesh in Iraq and Syria, our support to British Overseas Territories affected by Hurricane Irma and the military's support to areas badly affected by the snow earlier this year.

I have no doubt that Lt Gen Carleton-Smith will be an outstanding leader of the Army at this crucial period, as we look to strengthen and further modernise the Army to deal with intensifying threats.
