

Raising awareness of SRUC's hill farming expertise in Ireland

Davy McCracken, Head of SRUC's Hill & Mountain Research Centre, recently spoke at a conference in the west of Ireland about the need for innovation in hill farming systems.

Joint working key to farming's future

Women have an important role to play in the future of farming but it is ultimately about everyone working together to generate new ideas for the good of the industry.

The Big Sleep

The Executive Leadership Team at SRUC are set to brave the cold during a mass sleep-out in Edinburgh's Princes Street Gardens to raise money for charity.

SRUC takes lead on mental health

Scotland's Rural College, and its Students' Association SRUCSA, are taking the lead when it comes to tackling mental health issues.

World-leading livestock scientist honoured by SRUC

An Edinburgh-based scientist who— in the words of Bill Gates— has helped turn

the city into “a world capital for livestock health and genetics”, has been presented with an honorary fellowship by SRUC.
