

Seedpod project reaches key milestone

A planning application for the £21 million Seedpod industry development hub at Craibstone has been submitted to Aberdeen City Council.

Farm Business Survey more important than ever

An in-depth economic study of Scotland's farms has been at the forefront of helping to inform agricultural policy for the last 85 years.

Taking animal feelings seriously

Waitrose is rolling out a new SRUC-developed mobile application today (Monday 8 February) that will help the retailer assess and begin to understand the emotional wellbeing of its farm animals.

Donald Biggar

SRUC was saddened to learn of the death of former board member Donald Biggar at the weekend.

Cattle population study could help reduce emissions

The most in-depth analysis of Scotland's beef cattle population ever carried out could help to reduce emissions and improve production.
