

Behind the scenes at Dstl: video

News story

Watch the incredible range of work we do, from robots to wargaming, in just over a minute.

The Defence Science and Technology Laboratory (Dstl) is the science inside UK defence and security.

But what does that mean?

If you've ever wondered what happens behind the scenes at Dstl, this video takes you through some of the highlights of our life-saving work, carried out by our world-class technology experts and scientists.
