

Botanic Garden event later today!

#dundeewestend

From the Friends of the University of Dundee Botanic Garden :

Victoria George, Scottish plant hunters, is speaker at today's Friends of the University of Dundee Botanic Garden talk.

Victoria is a lecturer in horticulture at Dundee and Angus College.

She has a degree in Garden and Greenspace Design from Glasgow University, and wide interests in the field of horticulture.

The talk is in the Education Centre at the Botanic Garden at 2pm today – all welcome!
