

Career Opportunites

welters® are seeking motivated and enthusiastic people to join their expanding organisation.

Opportunities are being created across all departments with full, part time and freelance positions now available covering all aspects of activities from administration and sales, to technical, design, marketing and consultative posts as well as factory based production and development work and peripatetic site construction and support work.

Positions are not restricted locally either with **welters®** recognising the advantages of recruiting talented individuals worldwide as remote working contributors to the organisation.

Manufacturing operatives

required at our Carlisle based factory. Experience in construction industry, specifically with concrete product manufacturing, would be an advantage but not a requirement. A wide range of opportunities available at all levels.

Site installation team positions

available nationally. Must be willing to work away from home. Skilled and ticketed applicants would be an advantage but not essential.

Administration, Finance, Procurement, Design Team and E-marketing
opportunities available for inspired, enthusiastic applicants.

We are an equal opportunities employer and welcome applications from all suitably qualified persons regardless of their race, sex, disability, religion/belief, sexual orientation or age
