

Central and East Regional Fair Trade Session

The Scottish Fair Trade Forum is running a series of sessions across Scotland to give supporters a chance to find out more about Fair Trade.

It aims to make these sessions as informal and practical as possible: we want you to leave feeling energised and empowered with new ideas, connections and up-to-date information on Fair Trade.

Sessions cover topics such as:

- Fair Trade campaigning in the climate emergency
- Harnessing the power of social media for Fair Trade campaigning
- Procurement

... and includes :

- Opportunities to meet other supporters
- Lunch and Fairtrade tea & coffee!

The Dundee event is this Saturday – 18th January – 11am to 1.30pm at the Dalhousie Building in the University of Dundee.

You can read more about this and book a place [here](#).
