

Centralised Organ Donation Register website to suspend service for two hours during system upgrades

The Department of Health announced today (February 9) that the Centralised Organ Donation Register website (www.codr.gov.hk) will be suspended for two hours tomorrow (February 10) at 10pm for system upgrades. The service is expected to resume normal at 0.00am on February 11.

â€‹

During the suspension of the service, members of the public can download the registration form from the organ donation [thematic website](#) and return it by fax, if necessary.
