<u>Changes to Human Rights Act an attack</u> <u>on democracy say Greens</u>

14 December 2021

Responding to <u>proposed changes to the Human Rights Act</u> that Dominic Rabb is announcing today, Green Party spokesperson on Democracy and Citizen Engagement, Zack Polanski said:

"This is the latest attack on democracy by this government. Whilst Dominic Raab makes a variety of spurious claims about his proposed changes it's very different to the reality. This is yet another attempt by a draconian government to whip away rights that help people achieve justice.

"This is the extremist political ideology of Brexiteers like Dominic Rabb. For them, taking back control always meant a power grab; one that seeks to override the vital rights protected by the European Court of Human Rights."
