

Clean Air Day – well done Victoria Park Primary School! @VictoriaParkPS

Today is Clean Air Day!

Well done to pupils from three Dundee Primary Schools, including Victoria Park PS in the West End, who last week braved the rain to decorate bus shelters in the city centre to encourage everyone to walk, cycle and take the bus instead of driving to reduce air pollution.

Clean Air Day is the UK's largest air pollution campaign, engaging thousands of people at hundreds of events, and reaching millions more through the media.
