

Developing a climate justice curriculum for Scotland

This on line presentation will follow the One World Centre AGM on Tuesday 22nd September.

It will cover the global citizenship work being done by the Third Generation Project think tank with pupils at Bell Baxter High School in a really motivating, interesting collaboration.

It will run from 6pm to 7pm online on Tuesday has appeal for schools and a much wider audience too.

All welcome! You can book free tickets at www.eventbrite.co.uk/e/developing-a-climate-justice-curriculum-for-scotland-tickets-119213447631.
