

Dundee University Swing Dance Society

#dundeewestend

The Dundee University Swing Dance Society recently contacted us, advising us :

"We teach and dance timeless vintage dances like lindy hop, charleston and solo jazz.

We are hoping to reach out to the people in the local community and last time we were dancing at the Magdalen Green jazz band concert, a few ladies have reached out to us for more information."

We have assisted the society to get publicity about its classes onto local community noticeboards in the West End.

The society's taster class is tomorrow – Thursday 29th September – at 7pm at DUSA on floor 5.

This event is open to everyone – both students and non-students. You don't need a partner and you don't need any special equipment.

Just bring yourself, clothes/shoes you can move in and some water as swing can get pretty warm.
