

Employers and employees should take precautions during cold weather

Attention duty announcers, radio and TV stations:

Please broadcast the following special announcement immediately, and repeat it at frequent intervals when the Cold Weather Warning is in force:

The Labour Department reminds employers that as the Cold Weather Warning is in force, they should take appropriate precautions such as reminding employees who have to work outdoors or in remote areas to wear appropriately warm clothing, and make arrangements for employees to rotate from outdoor to indoor or sheltered work sites as far as possible. Employees should take note of the weather report, wear appropriately warm clothing and be mindful of their health conditions. They should notify their supervisors and seek medical help immediately if feeling unwell, such as having cold limbs and body shivering.
