

Guidance: Become an Official Veterinarian (OV) or set up a new OV practice

How to get authorised as an OV, maintain your authorisation and set up a new practice, and what to do if you will be tuberculin (TB) skin testing.

Form: GEN02: Sam data fix request

Request a correction to data incorrectly entered into Sam, APHA's online system for submitting tuberculosis (TB) test results.

Guidance: Become a Food Competent Certifying Officer (FCCO)

How to get and maintain a Food Competent Certifying Officer (FCCO) qualification.

Form: OV58: Change veterinary practice details on Sam

Make changes to practice details on Sam if you're a veterinary practice administrator, Official Veterinarian (OV) or Approved Tuberculin Tester (ATT).

Form: 0V45: Application for an official stamp replacement

If you are an OV, CSO or FCCO, you must use this form to request a new stamp if yours has been lost, damaged or stolen.
