

[Guidance: Bird flu: rules on meat produced from poultry and farmed game birds originating in disease control zones](#)

Rules food businesses should follow for any meat produced from poultry or farmed game birds originating within a disease control zone.

[African swine fever: how to spot and report the disease](#)

How to spot African swine fever, what to do if you suspect it and how to stop it spreading.

[Guidance: Crematoria: process guidance note](#)

Local authority regulators must use this process guidance note 5/2 (25) to assess applications and write permits for crematoria.

[Review of technical guidance for crematoriums](#)

Seeking views on updated guidance for the limiting of emissions from crematoriums.

Buying a cat or dog

Before you buy a pet cat or dog, make checks to avoid the illegal trade in pet animals, and know how to report concerns.
