

Guidance: Meet biodiversity net gain requirements: steps for developers

What you need to do as a developer to meet biodiversity net gain (BNG) requirements.

Form: Biodiversity gain plan

Developers must fill in this form to show how a development will achieve biodiversity net gain (BNG).

Guidance: Calculate biodiversity using the biodiversity metric

When and how to measure a habitat or development's impact on biodiversity.

Guidance: Make off-site biodiversity gains as a developer

Buying off-site biodiversity units to achieve biodiversity net gain (BNG): steps and obligations for developers.

Statutory guidance: The Biodiversity

Gain Requirements (Exemptions) Regulations 2024

These regulations exempt certain developments from meeting the biodiversity gain requirement that would otherwise be imposed as a general condition of planning permission.
