

Guidance: Guidance to help inform when an upland breeding wader survey is needed and when woodland creation is likely to be appropriate

This guidance has been jointly produced by Defra, Forestry Commission and Natural England to help ensure that proposals for afforestation identify and avoid important breeding wader sites.

Statistics: Department for Environment, Food & Rural Affairs – Statistics at Defra

We publish national and official statistics relating to the environment, rural communities, food, farming and biosecurity.

Guidance: Fish, shellfish or crustacean farm authorisation

How to get authorised to set up a fish, shellfish or crustacean farm: application process, conditions and records you must keep.

Guidance: Importing or moving live fish and shellfish

Find out how to import live fish, molluscs and crustaceans for farming, ornamental, or any other purpose except direct human consumption

Guidance: Recovering ODS from equipment

How to recover ozone-depleting substances (ODS) from equipment so they can be reclaimed or destroyed.
