

Guidance: Exporting or moving live fish and shellfish

Find out how to export live fish, molluscs and crustaceans for farming, ornamental, or any other purpose except direct human consumption

Form: Form AUTEXP Apply to be authorised to export live aquatic animals

Use the AUTEXP form to apply to become authorised to export live aquatic animals in England and Wales.

Guidance: Biodiversity metric: calculate the biodiversity net gain of a project or development

When and how to use the biodiversity metric to assess the value of a project or development to wildlife.

Form: Meat products: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export meat products to Great Britain, the Channel Islands or Isle of Man.

Form: Bovine germinal products: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export bovine embryos to Great Britain, the Channel Islands or Isle of Man.
