

Guidance: Import live animals and germinal products to Great Britain under Balai rules

When to follow Balai rules to import animals and germinal products to Great Britain from EU and non-EU countries.

Form: Blood products: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export blood products to Great Britain, the Channel Islands or Isle of Man.

Statistical data set: Family food datasets

Detailed annual statistics on family food and drink purchases.

Form: Other animal by-products: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export other animal by-products to Great Britain, the Channel Islands or Isle of Man.

Statistics: Department for Environment, Food & Rural Affairs – Statistics at Defra

We publish national and official statistics relating to the environment, rural communities, food, farming and biosecurity.
