

[The Control of Mercury \(Amendment\) \(EU Exit\) Regulations 2022](#)

These Regulations make a correction to Annex II of retained Commission Implementing Decision (EU) 2017/2287 by substituting a reference to “a Member State” with “Great Britain”. Annex II of retained Commission Implementing Decision (EU) 2017/2287 contains a form used by third countries, who are not Parties to the Minamata Convention on Mercury, to certify the source of Mercury intended for export to Great Britain.

[Transparency data: Specialised Committee on Fisheries](#)

This specialised committee monitors the implementation and functioning of the fisheries heading in the Trade and Cooperation Agreement.

[Guidance: Avian influenza \(bird flu\): cases and disease control zones in England](#)

Current and suspected cases of avian influenza (bird flu) in the UK and the disease control measures in place.

[Corporate report: AHWBE annual report for 2018 to 2019](#)

The Animal Health and Welfare Board for England’s annual report for 2018 to 2019.

Form: Organic registers: lists of third countries or territories, control bodies and control authorities

Lists of organisations and third countries or territories (EU and non-EU) that may certify organic products for import into Great Britain.
