

## **Policy paper: Storm overflows discharge reduction plan**

The storm overflows discharge reduction plan sets stringent new targets to protect people and the environment. This will require water companies to deliver the largest infrastructure programme in water company history.

---

## **Consultation outcome: Storm overflows: reducing sewage discharges**

Seeking views on the government's plan to reduce sewage discharges and remove harm from storm overflows.

---

## **Guidance: Apply for research support and partnerships**

Working with academics and researchers is central to delivering the FCERM R&D programme. Find out how to apply for support for your research proposal.

---

## **Policy paper: Litter strategy for England: progress reports**

These reports set out what progress has been made on the actions identified in the government's litter strategy published in 2017.

---

## Correspondence: Litter enforcement powers: letter to councils

A letter from Jo Churchill MP to councils about the use of enforcement powers to tackle litter.
