

## **Guidance: UK border control posts: animal and animal product imports**

Find an approved UK Border Control Post (BCP) to check the animals, animal products or high-risk food and feed of non-animal origin in your consignment.

---

## **Guidance: Guidance to help inform when an upland breeding wader survey is needed and when woodland creation is likely to be appropriate**

This guidance has been jointly produced by Defra, Forestry Commission and Natural England to help ensure that proposals for afforestation identify and avoid important breeding wader sites.

---

## **Guidance: Lists of recognised breed societies and breeding operations**

Recognised breed societies for bovine, ovine, porcine and caprine species, and recognised breed operations for hybrid breeding pigs.

---

## **Guidance: Invasive non-native (alien) plant species: rules in England and Wales**

What you need to do if you keep, grow, find or sell certain invasive plant species and your responsibilities to prevent their spread.

---

# **Policy paper: Office for Environmental Protection public body review outcome**

The outcome of a stage 1 self-assessment model review of the Office for Environmental Protection (OEP).
