

Consultation outcome: Live animal exports: improvements to animal welfare in transport

Seeking views on ending live animal exports for slaughter and fattening, starting in or transported through England or Wales, and on further improvements to animal welfare in transport.

Form: Bees: model health certificates

Competent authorities of exporting countries should use the relevant model health certificate as a template to create a version exporters can apply for to export bees to Great Britain, the Channel Islands or Isle of Man.

Guidance: Aims of the Sustainable Farming Incentive pilot standards

Each standard has a set of aims that participants should achieve if they have followed all the actions. These aims are the primary focus for site visits.

Research: Avian influenza (bird flu) in Europe, Russia and in the UK

Preliminary and updated outbreak assessments for avian influenza (bird flu) in Europe, Russia and in the UK.

Research: Avian influenza (bird flu): epidemiology reports

Investigations carried out to describe and explain cases of avian influenza (bird flu).
