

Policy paper: Water resources planning: managing supply and demand

Updated: Removed line that asks water companies to look at all demand options before considering new supplies as this is not accurate.

Water companies write water resource management plans every 5 years. This document explains how water companies:

- forecast supply and demand in their area
- plan to deliver secure public water supplies

Consultation outcome: Amending environmental impact assessment regulations within transport

Updated: Consultation response published.

We are setting out proposals for implementing the [European directive 2014/52/EU amending directive 2011/92/EU](#) known as the environmental impact assessment. For transport the directive applies to the:

- [Transport and Works Act 1992](#) and procedure rules made under that act
- [Harbours Act 1964](#)
- [Highways Act 1980](#)
