

## **Essential flood prevention work to close Matlock Bridge for 12 hours**

Matlock Bridge will be closed to all traffic from 7am until 7pm on Thursday 24 March to enable preparations for essential flood prevention work to be carried out.

---

## **Flood hydrology roadmap sets out 25-year vision to help predict and manage flood risk**

The roadmap will also help us understand the impact of climate change on flood risk and will support modelling of past and future climate change impacts.

---

## **Lower Otter Restoration Project saves rare plants from sea level rise**

Some of Devon's rarest plants are to be moved to new sites in the county as work continues on the Lower Otter Restoration Project (LORP).

---

## **'Floodmobile' to visit at-risk communities in Calderdale**

The Floodmobile is visiting Brighouse and Todmorden on 24 and 25 March to raise awareness about flood risks and what people can do to protect their properties.

---

## **Flood defence work to help protect Cambridgeshire homes**

People in Cambridgeshire are set to benefit from work done to bolster the county's flood defences.
