

Environment Agency issues drought permits to Yorkshire Water

The Environment Agency has issued drought permits that will allow Yorkshire Water to conserve water in 12 reservoirs and secure public drinking water supplies.

Birmingham anglers catch a whopping pair of fines

Two men have been found guilty of fishing illegally on separate occasions earlier this year.

Beware of bonfire bandits and don't burn waste

Guy Fawkes' Night is a calendar highlight. But if you're going to celebrate it, go to an organised event rather than risk being a "bonfire bandit".

Fish poaching activity thwarted in County Durham

Environment Agency officers and Durham Constabulary have helped disrupt illegal poaching of fish in County Durham

[Visit the Maidstone flood safety exhibition](#)

Find out how best to prepare, act and survive in the event of a flood at this free exhibition running from Monday 24 to Saturday 29 October.
