

Rod licence income benefits fisheries in Wessex

The funding has helped to enhance fisheries, boost fish stocks and make improvements for anglers, angling facilities and the environment.

Guidance: Check your land details before you apply for an SFI standards agreement

Find out how your land details affect your SFI application and what to check before you apply.

Statistical data set: Statistics on TB in Non-Bovine Species

Incidents of tuberculosis (TB) in wild and domesticated non-bovine animals in Great Britain.

Open consultation: Cat and dog microchipping consultation

We are seeking your views on changes to the microchipping regulations. We want to make it easier to reunite lost or stolen cats and dog and improve breeder traceability.

Environment Agency launches consultation on facility in Horsham

The Environment Agency issues a permit variation to add mechanical sorting and an energy recovery facility to an existing site in Horsham.
