

Southampton communities work together to tackle plastic pollution

Ambitions to reduce avoidable plastic waste in the Southampton area have taken a step forward at a virtual workshop run by the Environment Agency.

More than Zero: why Net Zero alone won't save the planet – and what will

Speech by Sir James Bevan, Chief Executive of the Environment Agency, to the Whitehall and Industry Group on 16 March 2021

Consultation outcome: General licences for wild birds: survey on management measures in England

Seeking views on what general licences to kill or take wild birds should cover. We're also asking for evidence on issues like record keeping.

Policy paper: Sustainable Farming Incentive scheme pilot: launch overview

Defra's plans for piloting the future Sustainable Farming Incentive scheme.

Detailed guide: CBRN and HazMat incidents: specialist providers that deal with decontamination

How contracting authorities can find approved specialist providers and award contracts for decontamination services in relation to a CBRN or major HazMat incident.
