

Scots farmers pessimistic over Brexit

The new analysis found differences in the farm population which drive outlooks on Brexit

Environment Agency advises on restarting private sewage treatment plants

Guidance is being issued to industry bodies about restarting sewage treatment plants.

News story: Coronavirus: Environment Agency update

The Environment Agency's priority is to protect people and the environment, and to support those we regulate during the coronavirus pandemic.

Consultation outcome: Food origin labelling: enforcement

Seeking views on enforcing rules for labelling the country of origin or place of primary food ingredients where it is different to the food itself.

Open consultation: Developing a tree strategy for England

We are seeking views across a wide range of topics on trees and forestry to help inform the development of an England tree strategy.
