

Professor Mike Stephenson appointed to the EPSRC Energy Strategic Advisory Committee

British Geological Survey (BGS) executive chief scientist, Professor Mike Stephenson, has been appointed to the Engineering and Physical Sciences (EPSRC) Energy Strategic Advisory Committee.

Farmers demonstrate 'who dares wins' spirit

A shepherdess, an entrepreneur who created an outdoor centre and a gin producer, will speak at an annual event highlighting the diverse range of options open to new or aspiring farmers.

CLOSED: Ex-offender Pilot Programme – Leeds City Region (0C20S19P1652)

Call to run a project to develop a pilot programme focusing on business engagement to help reduce re-offending rates.

CLOSED: D2N2 STEM Skills (0C08S19P1656)

This call seeks proposals to promote and increase STEM skills in the D2N2 LEP area. In particular, those tailored towards encouraging female, and other under-represented groups, to participate in STEM subjects.

CLOSED: D2N2 – Leadership and management training for SMEs (OC08S19P1678)

Call to run a project supporting business in the D2N2 area to develop the leadership and management skills of the workforce.
