TB Strategy Review

Environment Agency working day and night to reduce flood impact

Environment Agency is working to reduce impact of flooding across parts of northern England following heavy persistent rain.

Paws for applause

Scotland's Rural College officially opened the doors to new £350,000 Animal Care and Gamekeeping facilities at its Elmwood campus today (8 November 2019).

Guidance: Plant imports: 'additional

declarations' for phytosanitary certificates

Additional declarations that you must make on phytosanitary certificates as a plant health authority in a country sending plants to the UK.
