Find out when you must use a Defra approved disinfectant, which product to use, and in what concentration.

Environment Agency seizes vehicles in Warwickshire

The Environment Agency has this week carried out one of its biggest ever vehicle seizure operations in England.

Induced Seismicity around the British Isles in the last 50 days

This list contains seismic events for which there is strong evidence that they have been induced by human activities.

Seismic Activity at Preston New Road:

FAQs

Hydraulic fracturing is generally accompanied by microseismicity (very small earthquakes too small to be felt). During hydraulic fracturing operations at Preston New Road in 2018, around 50 very small seismic events were detected nearby.
