

Detailed guide: Regulating persistent organic pollutants if there's no Brexit deal

How regulation of persistent organic pollutants (POPs) will change if the UK leaves the EU with no deal.

Industry Placements for T: Levels IP 2.2 (0C39S19P1482)

Call to run a project to support industry placements and to establish a robust industry placement programme for T: level learners in the York, North Yorkshire and East Riding region.

Detailed guide: Endangered species: imports and exports

When to apply for a CITES import or export permit for the trade and movement of endangered species and products made from them.

Form: Endangered species: apply for a commercial use certificate

Form and guidance to apply for a certificate to use a CITES-listed specimen for commercial purposes.

Open consultation: Standards for biodegradable, compostable and bio-based plastics: call for evidence

We're seeking evidence to help us develop standards for biodegradable, compostable and bio-based plastics, and an understanding of their environmental impacts.
