

Rising to the challenge of climate change

A climate change researcher at Scotland's Rural College has reached the semi-finals of this year's Converge Challenge.

24-carrot student

An Ayr-based student has been given a personal factory tour after winning a 'wonky produce' competition.

Maximising Live Lambs

A Scottish sheep farmer who achieved "phenomenal" lamb loss results of only 6 per cent last year – around 10 per cent below the national average – will be among the speakers at a free industry event.

Animal Disease Surveillance in the Lothians

From 15 June 2019, vets and farmers in the Lothians will no longer send animals for post-mortem examinations at the Allan Watt building in the Bush Estate, near Edinburgh.

The BGS signs Memorandum of

Understanding with the Environment Agency

The British Geological Survey (BGS) and the Environment Agency (EA) have signed a Memorandum of Understanding (MoU) detailing the areas where they will work together at strategic, technical and operational levels.
